LETTER CORRECTING FILING RECEIPT

Sir:

Applicants review of the present Divisional Application mentions an inconsistency in the filing receipt as below:

Domestic Priority data as claimed by applicant

This application is a DIV of 09/890,129 08/02/2001*

Which is a 371 of PCT/EP01/00391 01/15/2001

(*) Data provided by applicant is not consistent with PTO records.

The Applicants believe this to be a PTO error for the following reasons:

1. The date of Express mailing for the abandoned parent 09/890,129 is clearly marked on the receipt postcard. A copy of the receipt postcard for the parent is enclosed. The receipt postcard indicated that the parent should have been accorded the original filing date of July 27th, 2001.

2. Applicants are also enclosing the Notice of Acceptance of Application under 35 USC 371. Applicants point to the inconsistency in the Date of Receipt of all 35 USC Requirements (July 27, 2001) and Date of Receipt of 35 USC 371(c)1, (c)2 and (c)4 (August 2, 2001).However, all the items listed under (c)1, (c)2 and (c)4 are indicated as being received. Therefore, Applicants believe the date accorded to the filing of the parent should be the date on the Express mailing receipt postcard.

So, therefore, no inconsistency should be mentioned. Please issue a corrected filing receipt removing the phrase “(*) Data inconsistent with PTO records”. The corrected filing receipt should read:

Domestic Priority data as claimed by applicant

This application is a DIV of 09/890,129 07/27/2001

Which is a 371 of PCT/EP01/00391 01/15/2001

Enclosed please find a substitute Declaration and Power of Attorney. The previously filed Declaration and Power of Attorney failed to identify the correct International Application No. filed on January 15, 2001. The substitute Declaration corrects the original error in the parent, 09/890,129, filed July 27, 2001.

Applicants believe this is a clerical error ascribable to the Patent Office. Accordingly, no fee is required. However, if this is incorrect, the Commissioner is hereby authorized to charge any fee necessary under 37CFR 1.19 and any additional fees that may be required to Deposit Account 03-1935.

Respectfully submitted,

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
